The **Embassy of the Philippines, Washington D.C.**, through its Bids and Awards Committee (BAC), intends to Upgrade its existing Radionics 8112-G2 Security System.

The procurement activity is in accordance with GPPB Resolution No. 28-17 dated 31 July 2017.

Interested contractors are requested to submit their best offer for the project, subject to the attached *Terms of Reference*. Price Quotes/Proposals must be submitted **not later than 10 October 2025.**

Requests for project site visits and inquiries or clarifications about the project may be sent to admin@phembassy-us.org and property@phembassy-us.org.

JAIME RAMON T. ASCALON, Jr.
BAC Chairman

TERMS OF REFERENCE

I. BACKGROUND

The existing Radionics 8112-G2 Security Equipment of the Embassy was installed more than 30 years ago. Due to aging equipment, it has caused false alerts and some of the replacement parts are already obsolete.

II. OBJECTIVE

1. To improve reliability and fewer malfunctions or false alerts compared to outdated technology;
2. To enhance both safety and convenience of the Embassy; and
3. To provide both buildings with much higher degree of security with encryption and dual path communications protocol

III. SCOPE OF WORKS:

Item no.	Description	Project Location
1	UPGRADE AND REPLACEMENT OF EXISTING RADIONICS 8112-G2 SECURITY EQUIPMENT	NW Washington DC

IV. GENERAL CONDITIONS

1. The Contractor shall be responsible for the site preparation and mobilization including dismantling and disposal of unnecessary debris on site;
2. The Contractor shall provide labor, materials, tools, equipment needed for the satisfactory completion of the project. It should strictly follow standard procedures to complete the job;
3. The Project shall be completed within a reasonable time from the date of receipt of the Notice to Proceed (NTP) and mutually agreed upon by both parties;
4. The contractor shall be responsible for delivering the project to the full satisfaction of the Philippine Embassy. The contractor shall clearly identify and state **WARRANTY period** for materials and workmanship;
5. The contractor shall allow the Philippine Embassy's duly authorized representatives, to access the work area at any time for purposes of inspecting the project. It shall likewise furnish said representative necessary information and assistance to ensure a complete and detailed inspection;

6. The contractor shall ensure that the Project shall be completed in accordance with the approved design/specifications and in conformity with the agreed schedule;
7. The Philippine Embassy reserves the right to reject any unacceptable(substandard) material installed or to be installed as well as faulty workmanship;
8. The Contractor warrants that it shall deploy only highly trained, qualified and competent workers in the implementation of the project and shall be responsible for damages, losses or injury arising from the project whether directly caused by the contractor's negligence, or of its employees, agents or subcontractors;
9. The contractor shall be responsible for the cleaning, clearing/removal from the site of debris;
10. The contractor shall be responsible for obtaining all necessary work-related permits, including road closure and traffic controls (if necessary), from the government of the District of Columbia;
11. In consideration of the sensitive nature of the areas covered by the work agreement, the General Contractor and all workers who will gain access to the Main Chancery of the Embassy shall hold in strict confidence and not disclose to any third party all information pertaining to the locations, whether oral, written, visual, or any other medium, including, but not limited to the appearance of the work sites and physical security measures and operating procedures;
12. Payment will be in the form of progress payments; each payment will be made in accordance with the work already completed. Upon receipt of a written request from the contractor, the first progress payment may be paid provided that at least 20% of the work has been accomplished, as certified by the Embassy. A retention payment, equivalent to 10% of the total cost of the project, will be paid after the completion and final acceptance of the project by the Embassy;
13. There will be no change orders for this project, the proposal/ quotation submitted by the contractors must be enough to cover all related costs; including contingencies for possible unforeseen expenses such as duct connections or electrical works, as appropriate;
14. The General Conditions and Technical Specifications of this Request for Quotation shall form part of the contract/ agreement of the project. The contract will be accompanied by copies of the business registration/ documents of the contractor , and a copy of a valid driver's license of the signatory to the contract/ agreement.
15. If the contractor that provided the lowest quotation/proposal, for any reason, declined to provide the products and services under this project, the contractor that provided the next lowest responsive quotation/proposal will be given the opportunity to negotiate the contract and implement the project.
