PARTNER

As a friend to all and enemy to no one, the Philippines will continue to be a reliable partner in contributing to the maintenance of international peace and security and in addressing existing and emerging global challenges for our people and planet. We adhere to the principles outlined in the United Nations Charter, promote the peaceful settlement of disputes in accordance with international law, and enhance cooperation, dialogue and constructive engagement with all Member States and regional groupings.

The Philippines is one of the 51 founding members of the United Nations

Our aim is to actively contribute to the maintenance of international peace and security through diplomacy and our commitment as a Partner, Pathfinder, and Peacemaker

PATHFINDER

The Philippines takes pride in its history of forging pathways to peace. Our pledge begins within our own borders, as demonstrated by our efforts to establish peace in the Bangsamoro Autonomous Region of Muslim Mindanao (BARMM).

We believe in the importance of inclusive dialogue, consensus-building, and participatory approaches to achieve sustainable peace and development. We will continue to forge and tap partnerships and best practices to find enduring solutions for overcoming challenges such as terrorism, transnational crime, and climate change.

PEACEMAKER

Our proud tradition of 60 years of peacekeeping missions has seen over 14,000 Filipino troops deployed to 21 United Nations peacekeeping and special political missions. We pledge to increase our contribution to United Nations Peacekeeping Operations around the world with more Filipino peacekeepers on the ground. We will prioritize the Women, Peace, and Security agenda, the Youth, Peace, and Security agenda, as well as the protection of children in armed conflict. We will be a bridge-builder and will actively engage in the work of all Security Council subsidiary bodies for the pursuit of peace and towards a better, safer, more prosperous world for all.
